#### ABOUT YOUR AWARD

This is a non-monetary award. You can view this award and other awards you have received under 'My Awards' on the 'My Dashboard' section of your recognition program site.

#### AWARD MESSAGE

I want to recognize Carl for his outstanding contributions to the AI Racing League. This project uses RC cars with cameras to teach the concepts in artificial intelligence to a broad audience of non-technical staff. Carl did a great job helping us configure the laptops, cars and GPU servers for the latest event. He also debugged the problems we had getting Anaconda3 installed on our Windows 10 systems. Thank you Carl for your help! The students all have a better understanding of how AI will impact our products in the future.
